

Consumer Microcircuits Ltd

A member of the CML Microsystems Plc group

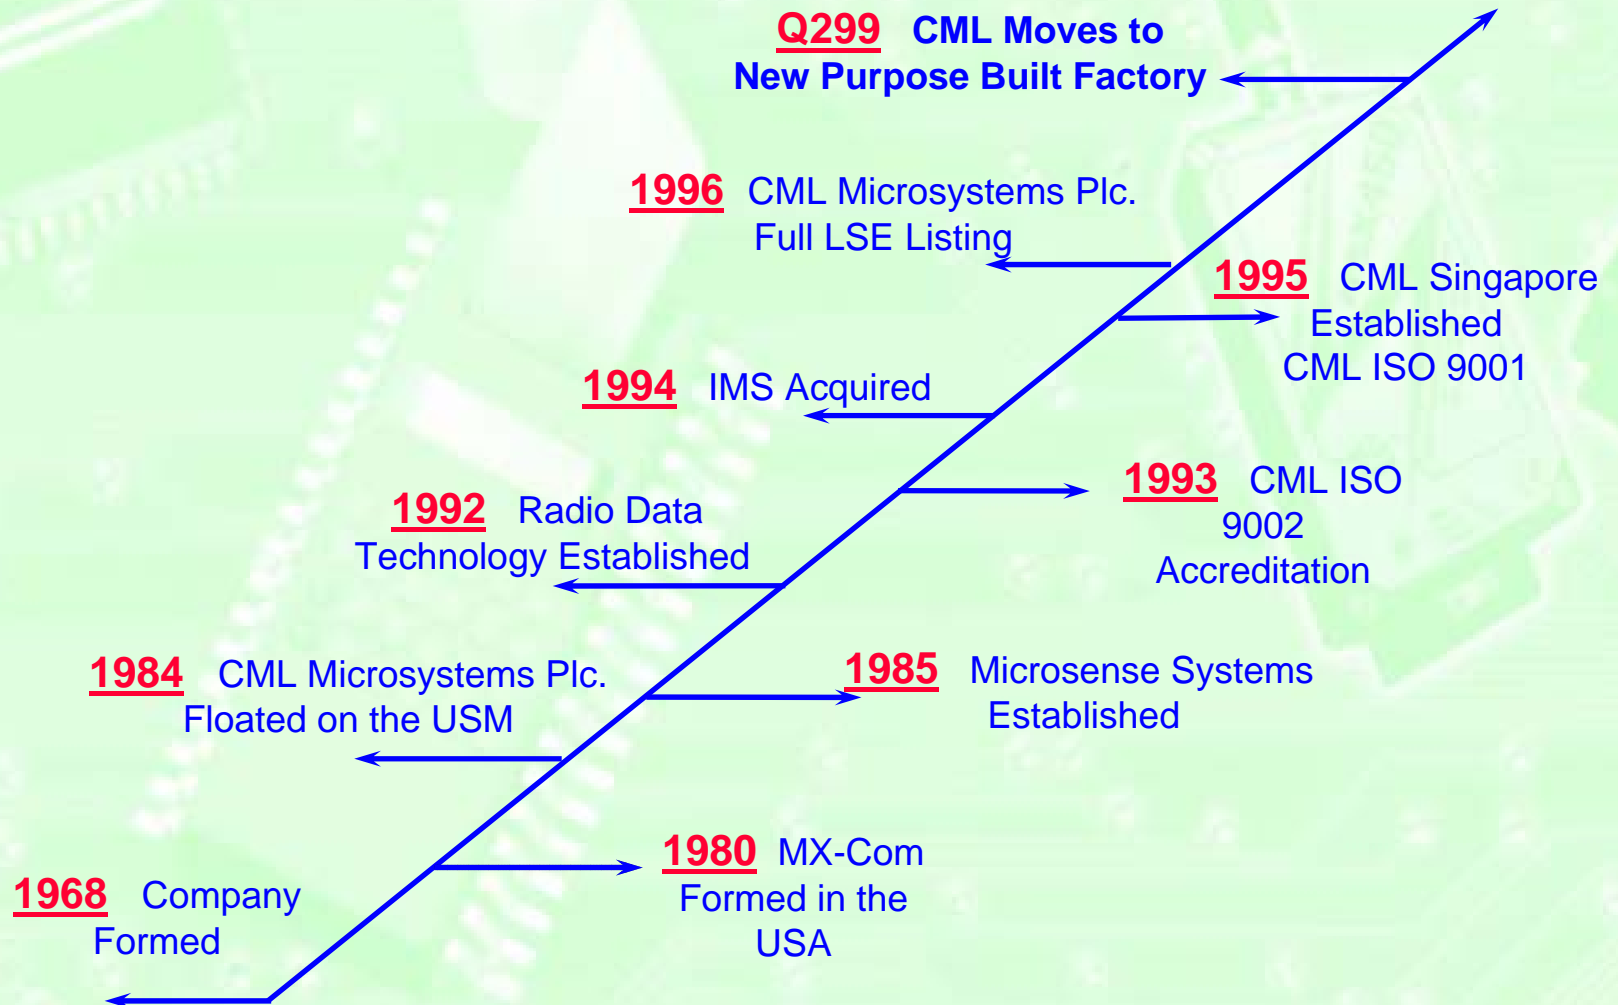

Corporate Overview

CML Microsystems Plc

CML Microsystems Plc

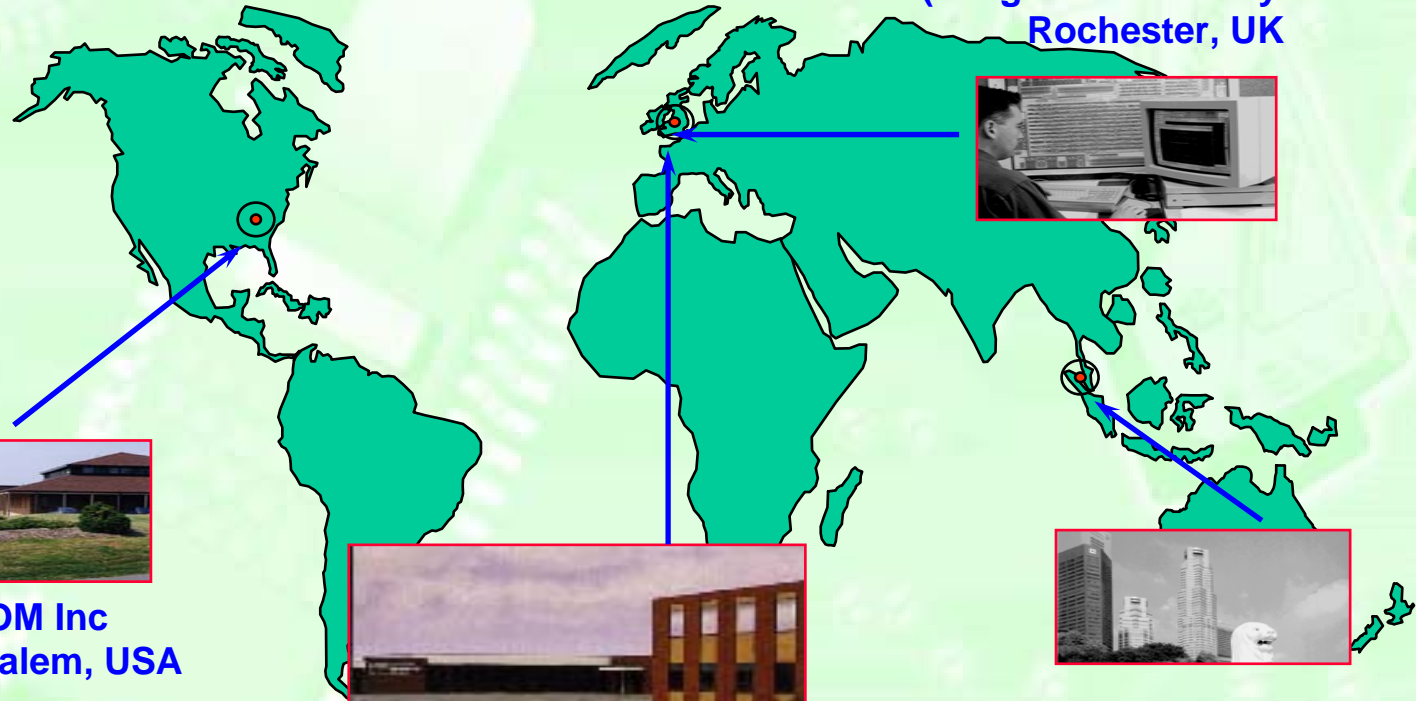

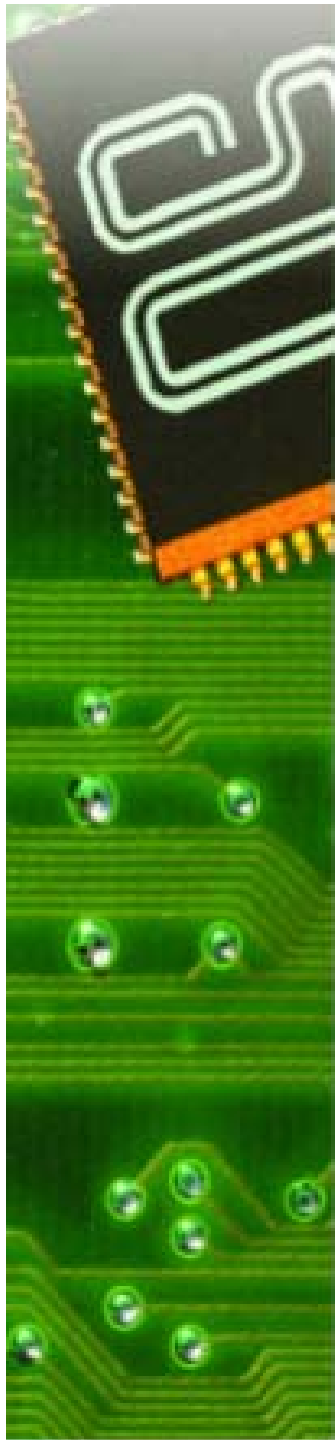

A vertical strip on the left side of the slide shows a close-up of a microcircuit board. The top part is a dark grey or black chip with white circuit traces. Below it is a green printed circuit board (PCB) with various components and traces. The background of the slide is a light green with a faint, large-scale circuit pattern.

Consumer Microcircuits Ltd

The Company

- Consumer Microcircuits Ltd was established in 1968 to Design, Develop and Manufacture Integrated Circuit solutions for the Communications and Control Industry.
- From Conception CML's objectives were to provide High Quality Mixed Signal solutions to meet the ever increasing complex requirements of the Communications and Control Industry.
- Through a process of close customer support, continuous innovative development and commitment to technological development, CML has become the preferred specialist supplier to the Major Communications and Control Companies World-wide.

CML Semiconductor Division

IMS (Integrated Micro Systems Ltd)
Rochester, UK

MX-COM Inc
Winston-Salem, USA

CML Microcircuits Ltd
CML Microsystems Plc - Group HQ
Witham, UK

CML Microcircuits
(Singapore) Pte Ltd

CML Semiconductor Division

Operating Companies

R&D

Manufacturing Sales/Marketing

 **Consumer
Microcircuits
Limited**
M-I-X-E-D S-I-G-N-A-L S-O-L-U-T-I-O-N-S

 **MX-COM, INC.**
MIXed Signal ICs & Modules

 **Integrated
Micro Systems
Limited**
ASIC SOLUTIONS FROM CONCEPT TO DEVICES

 **CML Microcircuits
(Singapore) Pte Ltd**
MIXED SIGNAL TECHNOLOGY

CML Semiconductor Division

Manufacturing and Test

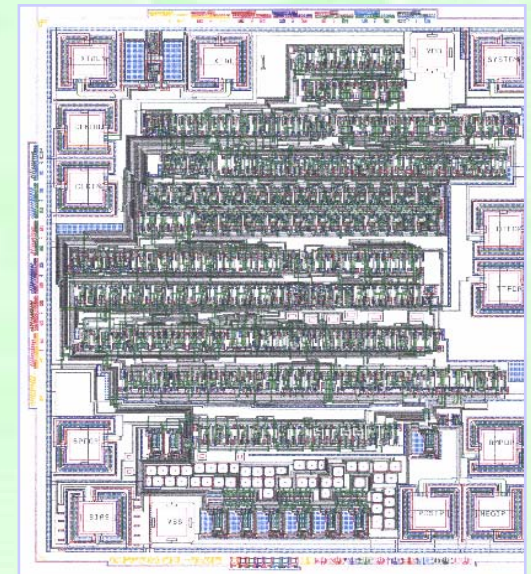

- Two manufacturing sites plus off shore assembly
- Automated Probing, die attach, bonding & handlers
- Self supporting Maintenance and Test functions
- 3 Shift capability

CML Semiconductor Division

Design & Development

- 45 IC design engineers world-wide
- Si Gate, Bi CMOS, Bipolar & Ga As
- DC to Infra Red design experience
- Logic, mixed signal & analogue expertise

CML Semiconductor Division

Sales & Marketing

- 40 countries covered by distributors and/or representatives
- Sales offices in UK, USA and Singapore
- All countries visited on a regular basis
- Internal and field support for customers and Local representatives
- Highest levels of technical support

CML Semiconductor Division

Quality Assurance

BS5750 Part 1

ISO9001

EN290001

CML Semiconductor Division

Major Customers

- Alcatel
- ASCOM
- Bosch
- Ericsson
- GPT
- Hyundai
- JRC
- Kenwood
- Landis & Gyr
- LG Electronics
- Marconi
- Maxon
- Motorola
- Nokia
- Nortel
- Samsung
- Siemens
- Simoco
- Tait Mobile Radio

CML Semiconductor Division

Operational Statistics

- Turnover \$30M pa
- 190 employees in semiconductor division
- >6M IC's manufactured per annum
- 80 % of production directly exported
- Over 10% exported into Japanese market
- ISO9000 accredited company
- Internet web site - <http://www.cmlmicro.co.uk/>
- Full data sheets and application notes for products
- Engineering help desk available for all products

CML Semiconductor Division

In Summary.....

- Four operating companies
- Three design centres
- Two ISO 9000 approved manufacturing sites
- Three geographically located sales offices
- Over 25 Years of experience in
 - ***Design, Manufacture and Supply of Integrated Circuits to the Communications, Telecommunications and Control Industries***

In Conclusion...

CML have the capability, commitment and drive to meet and exceed the current requirements of our customers

CML are committed to a process of continuing development to ensure that we are in a position to meet the ever changing needs of current and future customers
